***THE APPLICATION FEE OF $75.00 PER ADULT IS NON-REFUNDABLE**

***Wanting to offer less than list price for the home will cause your application to be delayed or rejected***

We do not prescreen Applications. Applicants are required to pre-screen themselves with the following criteria and will need to meet the requirements below. We encourage you to apply if you meet the below criteria:

**WHEN THE ON LINE APPLICATION IS COMPLETED, WE WILL PROCESS YOUR APPLICATION – CHARGING THE $75 APPLICATION FEE.**

**This application, background information, credit scores, rental history, criminal history, and employment verification will be viewed by RentWerx Employees, and possibly the Property Owner.**

*****Multiple Applications May Be Reviewed in Choosing an Applicant*****

**Lease Criteria in Applying for a Home:** Before you apply for a home, read the following information concerning the approval process. If you have any questions, contact our office during normal business hours Monday to Friday 9 AM to 4 PM Central Standard Time.

**Application Process & Screening Criteria:** RentWerx is committed to equal housing and we fully comply with the Federal Fair Housing Act (FFHA). We do not discriminate against persons because of race, color, religion, sex, handicap, familial status, national origin, or age. We also comply with all state and local fair housing laws. We offer application forms to everyone who requests one. Each occupant over the age of 18 must complete an application and pay the **$75.00** application fee. Approval is based on SEVEN factors:

- Credit History
- Employment Verification and History
- Income Verification
- Rental Verification and History
- Criminal Background Check
- Terrorist Database Search
- Animal Criteria

**Identification:** Each applicant is required to provide a copy of a legible Government issued photo identification card. A photo of your identification card can be sent to: Applications@RentWerx.com

**Income Verification:** Income should be at least three (3) times the monthly rent and verifiable from an unbiased source: employer through pay stubs, tax returns, and/or bank statements. Self-employed income may also be verified with a CPA-prepared financial statement or tax returns. Your employment history should reflect at least 6 months with your current employer. Transfers or relocations must have correspondence showing an accepted job offer. Any verification fees required by the employer must be paid by applicant. Applicants who do not meet the above employment or income requirements must submit Savings Account statements showing a minimum average balance equal to 8 months of rental payments, for the last 6 months.

**Employment:** We require verifiable employment history for at least the past three (3) years. You must be a permanent employee (not temporary or probationary). If you are self-employed, retired, or not employed, we can accept such documents as signed tax returns (2 years minimum), bank statements, etc. that provide proof of applicant's ability to pay the rent. If military, we need a current copy of your LES. If you are active-duty military, you must be on an assignment that, to the best of your knowledge, will allow you to complete an initial 12-month lease.

**Residence History:** We require verifiable residence history for at least three (3) years whether you currently own or rent. Applicants are responsible for providing information including the names, addresses and phone numbers, of Landlords with the dates of tenancy for the previous 3-5 years. Rental history must be verified from unbiased sources. Home ownership will be verified from a current credit report. We can accept base housing as rental history. Any evictions within the previous 5 years will be automatic grounds for denial. Broken leases will be considered on a case-by-case basis and an additional security deposit may be required.

**Credit History:** We will obtain a copy of your tenant credit score from TransUnion. You cannot provide this to us, we will obtain this ourselves. Credit history should show that the resident has paid bills on time and does not have a history of debt "write-offs" or accounts that have gone into collection. Money owed to a previous landlord or utility company is cause for denial.

**Errors & Omissions:** Every effort has been made to provide applicants with reliable and accurate information regarding the home you are applying for – however, changes can and do take place to cause inaccurate information to be accidentally presented. We encourage all tenants to verify schools, allowable pets, expected features, or any HOA concerns prior to signing a lease agreement. Any information posted in the MLS advertisement does NOT constitute a written agreement or guarantee of the facts stated.

**Criminal, Sex Offense, and Terrorist Database Check:** We will check these databases for all occupants over 18. We do not rent to any person required to register as a sex offender. Criminal backgrounds involving violent crimes, sex offenses, domestic violence and/or involving the possession/distribution of weapons or illegal substances are all grounds for denial of an application. An exception may be made for type and or age of offense, please provide details to the Property Manager.

## Preferred Tenant Program for Well Qualified Applicants

RentWerx has designed a program to give approved applicants an opportunity to ease the burden of up-front expenses when leasing one of our homes by not forcing tenants to pay a security deposit. If approved for this program, the tenant will have the option to choose a monthly fee equal to 1% of the monthly rent – OR – choose the security deposit option of 2.5 times one month's rent payable at lease signing. This is an OPTIONAL program only offered on a case by case basis with the Landlord or RentWerx maintaining full authority to rescind this offer at any time, for any home.

This program is only offered to well qualified applicants with the following criteria:

1) Combined TransUnion Tenant Score of 615+.
2) At lease signing, pay a one-time Preferred Tenant Program Admin Fee of $95.00.
3) Pay monthly Preferred Tenant Program Fee = 1% of the monthly rent (minimum $10/month).
4) Pre-authorize end of lease final accounting charges by providing bank account information.

**1% Rates for Monthly Preferred Tenant Program Fee vs Security Deposit of 2.5x of Monthly Rent**

| $1,800 | $18.00 | $4,500 | $2,700+ Scales Up Accordingly | | |

**End of Lease Agreement and Tenant Move Out**: After RentWerx conducts a final move out inspection, any damage to the home (above normal fair wear and tear) will be directly billed to the tenant's bank account per the lease agreement up to a maximum amount equivalent to one month's rent. The outgoing tenant will receive a copy of the final inspection along with an itemized final bill considered due and payable upon receipt. Outgoing tenants failing to pay in a timely manner will be turned over to a 3rd party collection agency.

## Six (6) Month Lease Agreement Option = Rent + 20%

Should an applicant request a 6-month initial lease agreement, RentWerx charges an additional 20% on top of the advertised rental rate.

Advertised Rent = $1,500 Per Month. Add in 20% for 6 Month Lease Option = $300 Per Month.

Total Monthly Rent for 6 Month Lease Option = $1,800

## Contingent Approval – Risk Mitigation Fee – Tenant Score Based

RentWerx can offer applicants with lower than a 615 TransUnion Tenant Score with an opportunity to rent from us by offsetting the monetary risk for the owner, and the management company. Applications may still be approved with less than a 615 TransUnion Tenant score. Combined Tenant Scores of 615 or higher are usually approved with normal rents, as advertised admin fees, and the advertised security deposit.

## Applicants with Less Than a combined 615 TransUnion Tenant Score May be Subject to a Risk Mitigation Fee, or other proposed terms, as outlined below:

Combined TransUnion Tenant score of **614 to 594** will require an additional risk mitigation fee of **$500.00.**
TransUnion Reference: *Low Accept*

Combined TransUnion Tenant score of **593 to 550** will require an additional risk mitigation fee of **$1,000.00.**
TransUnion Reference: *Conditional*

Combined TransUnion Tenant score of **549 and below** will require an additional risk mitigation fee equal to **$1,500.00 – AND** - are subject to review and approval by upper management.

TransUnion Reference: *Refer*

---

**Denied Lease Approvals:** Any combined TransUnion Tenant Score under 500 are declined.

---

**Calculating for the Combined TransUnion Tenant Score of Multiple Applicants:** Add the two TransUnion Tenant Scores together for both (or more) applicants and divide by the number of applicants in the home to arrive at the determining number for the approval process.

Example: 1) Applicant ONE has a TU Score of 600 2) Applicant TWO has a TU Score of 550

Gross Score =1,150. Divide by Two = (1,150/2) = **575 Combined TU Score = $1,000.00 Risk Mitigation Fee**

---

Offering an approval based upon a total TransUnion Tenant score below a 615 comes with inherent risk to the landlord and property manager. As the apartment industry has done, an approval can be offered even to tenants with less than perfect credit as long as they can pay the additional fee associated with their tenant credit scores to offset the risk involved for all parties.

**Preferred Tenant Program:** Approved applicants under a Contingent Based Approval with a Risk Mitigation Fee still qualify for the Preferred Tenant Program with the following criteria:

1) At lease signing, pay a one-time Preferred Tenant Program Admin Fee of $95.00.
2) Pay monthly Preferred Tenant Program Fee = 3% of the monthly rent (minimum $30/month).
3) Pre-authorize end of lease final accounting charges by providing bank account information.
4) Approved Applicants under the Risk Mitigation Program may opt for a security deposit of 2.5 x One Month's Rent in lieu of paying a 3% monthly Preferred Tenant Program fee.

**3% Rates for Monthly Preferred Tenant Program Fee vs Security Deposit of 2.5x of Monthly Rent**

**Disabled Accessibility:** Any concerns should be submitted in writing to the property manager. We must obtain Owner approval to allow modification of the premises. All modifications are at the expense of the disabled person, and the disabled person must agree to restore the premises, at their own expense to the pre-modified condition (provided the modification would affect the use and enjoyment of the premises for future residents). We require written proposals detailing the extent of the work to be done, approval from the landlord before modifications are made, appropriate building permits with required licenses made available for the landlord's inspection, and a restoration deposit may be required per Fair Housing guidelines.

## START OF LEASE:

*Vacant Homes* --- RentWerx has a policy that all leases on vacant homes must begin within 14 days of application approval. We are unable to hold the home rent free without a lease agreement longer than that time.

*Occupied Homes* --- RentWerx will typically advertise a first available date with all of the homes we manage. In some cases, those dates will need to change due to circumstances beyond our control. We ask the approved incoming tenant be flexible in some cases. We understand the burden this can create and strive to advertise a solid date so incoming tenants can plan accordingly.

*Leases starting within 5 days of the end of the month* --- We will require the next full month's rental amount with the pro-rate.

**OPTIONAL: Move In With Lockbox Access** As an optional feature during the lease process and move in of your new home, we can offer the convenience of gaining access for the first time without having to check out keys from our office. **With this optional program, tenants may gain access to their new home through our lockbox for an optional additional charge of $25.00.**

**A separate form will be sent to you for review and signature during the lease approval process.**

**Move-In Orientation & Inspection with Managers ReKey:** http://www.ManagersReKey.com

All new tenants at lease signing will pay a one-time *Move-In Orientation Fee* of $99.00. Within the first three (3) business days of the tenant move in, arrangements will be made for a walk-through inspection and home orientation with Managers ReKey.

The Move-In Orientation will be arranged and conducted with a technician from Managers ReKey. A leasing representative from RentWerx will not be present during the Move-In Orientation. Any requested work orders must be submitted separately.

The Managers ReKey technician will provide the tenant with a brief orientation and instruct them on basic home maintenance, including changing air filters, unclogging a garbage disposal, water cut-offs, smoke alarms, fuse & breaker box locations, and GFCI resets. The written report will include interior and exterior photos. The exterior will be documented with photos of all four sides of the home, the roof, any exterior equipment, and yard. Interior photos will be of each room, included equipment, any damaged or defective conditions, and an overall view of most areas. A copy of this report will be sent to the tenant and RentWerx for record.

**What Our Tenants Want You to Know:**

**1)** RentWerx conducts periodic annual inspections of the home you will live in. We take pictures of the interior and exterior of the home during that inspection. This information is kept on record and shared with the owner. **If this standard annual inspection procedure is going to cause you a problem – we recommend you stop now and do not apply for one of our homes.**

*2)* During the last 30 days of your lease agreement – a sign and lockbox may be placed on the home and you may be required to show the home to prospective new tenants. You may opt out of this arrangement, but it will cost an additional fee of one month's rent to do so.

3) RentWerx is a **ZERO TOLERANCE** company regarding rent collection. Rent is due the 1st of each month, late the 4th of each month. Late fees begin midnight on the 4th of the month. Late fees will be applied with no exceptions in accordance with all Federal Fair Housing laws.

4) **Site Un-Seen Application and Approval.** It is possible to apply for the home, be approved, and sign a lease agreement without ever seeing one of our homes in person. In such a scenario, we require an incoming approved tenant to sign a Site Un-Seen Addendum to the Lease Agreement. In that form, we ask you name a "Trusted Advisor" outside of RentWerx who has offered you their opinion of the condition of the home.

5) **Lease Preparation Fee: $100** --- There is a lease preparation fee of $100 per lease agreement to prepare, forward, and offer the convenience of electronic signatures. This initial $100 fee will be waived for an approved applicant completing a self-assisted showing of the property.

**6) Resident Benefits Package: $45.00 Per Month --- See the Paragraphs Above.**

7) **Move-In Orientation Fee: $99.00** --- This fee covers the Move-In Orientation & Inspection.

**8) If approved - the Preferred Tenant Program (Security Deposit opt-out) incurs a $95.00 start-up fee.**

**Upon completion of your Application, you will be notified in writing of your Approval / Denial / or Offer of Other Terms within 2-3 Business Days.**
