Please keep this packet with your important papers to use if you ever need proof of your rental payment history. We are frequently asked to provide rental references for our past residents. Our company policy regarding rental references is that no information is released until we receive a copy of a document, signed by you, giving us permission to release the information. Feel free to make copies of this statement and the attached documents to give to whomever you wish.

A faithful performance of your rental agreement/lease and a satisfactory termination of your tenancy will reflect favorably on your credit report. Misconduct and/or a serious breach of your performance of your rental agreement and/or an abnormal termination of your tenancy will reflect badly on your credit report and MAY SERIOUSLY HAMPER YOUR ABILITY TO OBTAIN DESIRED HOUSING IN THE FUTURE.

Please be sure to pay the balance due or contact us to make payment arrangements promptly. To avoid collections and a derogatory credit report send payment on or before August 15, 2023.
