

Information About Brokerage Services

Texas law requires all real estate licensees to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any coincidental information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.

18. REPAIRS

Notice: Subchapter B, Chapter 92, of the Texas Property Code governs repair obligations.

Routine Repair Requests: All requests for repairs must be in writing and delivered to RentWerx. If Resident is delinquent in rent at the time a repair notice is given, RentWerx is not obligated to make the repair.

Emergency Repair Requests: In the event of an emergency related to the condition of the Property that materially affects the physical health or safety of an ordinary Resident, Resident may call the property manager at (888) 811-6780. Ordinarily, a repair to the heating and air conditioning system is not an emergency.

AFTER HOURS EMERGENCY MAINTENANCE HOTLINE:**CALL: (888) 811-6780**

NOTICE: If RentWerx fails to repair a condition that materially affects the physical health or safety of an ordinary Resident as required by this lease or the Property Code, Resident may be entitled to exercise remedies under

§92.056 and §92.0561 of the Property Code. If Resident follows the procedures under those sections, the following remedies may be available to Resident: (1) terminate the lease and obtain an appropriate refund under §92.056(f); (2) have the condition repaired or remedied according to §92.0561; (3) deduct from the rent the cost to repair or remedy according to §92.0561; and (4) obtain judicial remedies according to §92.0563.

Do not exercise these remedies without consulting an attorney or carefully reviewing the procedures under the applicable sections. The Property Code presumes that 7 days is a reasonable period of time for the RentWerx to make a diligent effort to repair a condition unless there are circumstances which establish that a different period of time is appropriate (such as the severity and nature of the condition and the availability of materials, labor, and utilities). Failure to strictly follow the procedures in the applicable sections may cause Resident to be in default of the lease.

18.1 COMPLETION OF REPAIRS

Resident may not repair or cause to be repaired any condition, regardless of the cause, without RentWerx permission. All decisions regarding repairs, including the completion of any repair, whether to repair or replace the item, and the selection of contractors, will be at Landlord sole discretion.
