Hello,

In accordance with your lease agreement, your property manager has completed the move out evaluation and the attached documents contain the details of the charges and the total amount due. As noted prior you do not have a traditional security deposit, you have the replacement plan. Which means that you are responsible for all charges pertaining to the move out repairs.

If you have any questions pertaining to the charges or balance due, you must submit them in writing within 5 days to your property manager.

Payment can be made to our office in the form of a check, cashier's check or money order. You may also submit payment electronically through your tenant portal. Payment is due within 15 business days of this notice.

Thank you,

Taylor Cooper
