Hey Brian, thanks for your patience. Sorry to hear it.

Please see attached. Looks like it was installed in September of '22 so you should expect to get 3 years of life out of from a depreciation standpoint.

Subject: Carpet replacement - 1036 McKavet Dr

Hey Dustin,

Sorry for the random e-mail, but would it be possible to get a copy of the carpet replacement for 1036 McKavett?

It looks like it was replaced around September 2022.

The tenant (SPM's former employee) was being evicted and we are now dealing with damages/cleanup and I need a copy of the invoice to show when it was replaced.

I don't have access to my account anymore, or I would pull up a copy myself.

Thanks for your help!
