Austin, TX 78727

Dear Jamsine,

Note: This letter is to inform you of deductions against your security deposit. You are encouraged to read this letter with care in the event that you wish to protest any charges determined to be your responsibility under the lease agreement.

We would like to thank you sincerely for your time as our tenant, and express our continued appreciation of your cooperation and understanding as we finalize your move-out. We would also like to wish you the best in your new home.

GDAA Property Management's move-out procedures are expertly designed to minimize or eliminate any doubt regarding the final condition of your rental, and to establish an accurate weight of responsibility toward the assessment of any charges levied against your security deposit. It has therefore been determined through our diligent and thorough review process that the itemized list of charges against your account are valid and made in good faith beyond a reasonable doubt. Our determination of your responsibility under the lease agreement was reached through consideration of, though not limited to:

- A thorough review of the move-out condition assessment and review of move-out photos against any move-in pictures that were taken directly prior to your occupancy;
- The tenant move-in condition checklist, if provided by you at time of move-in, that was diligently and accurately populated with your observations and concerns regarding the property when you began occupancy, and;

- Any post-occupancy issues that may have arisen that were determined to be a not-at-fault occurrence and the responsibility of the Landlord, per the lease.

If it is your opinion that any assessment levied under these considerations was made in error, be advised that you are afforded thirty (30) days from the postmark or electronic delivery date of this letter to submit your dispute.

We do not, under any circumstances, discuss security deposit disposition disputes by telephone or in person.

If there is a balance due on your account please ensure your balance due is submitted within 30 days or your account will be turned over for collections, which can adversely affect your credit report. In addition, a collection charge of 35% will be added to your balance due.

Please be sure to monitor your emails, as any invoices and photos pertaining to your move-out have been sent to your email so that you can have a copy of your report for your records. You must submit all further correspondence concerning this matter in writing by email to info@gdaapm.com, by fax to (512) 579-4220 or to our physical office address at 2300 Greenhill Dr., Bldg. 2, Ste. 250, Round Rock, TX 78664 within the allotted time period. We will gladly and diligently review your case and will contact you within 14 days in writing with a determination of our final decision.

Sincerely,

Rebecca Panacci

ADDITIONAL DETAILS

- Punchlist created for touch ups as needed
- End of job walkthrough
- Application subject to condition of substrate
- Product brushed, rolled, or sprayed onto substrate
- Proper masking
- Hand scrape leftover loose paint
- Pressure wash prior to painting exterior
- Closets not included on interior jobs unless specified
- Responsibility of customer to move all furniture/wall items to center of rooms being painted unless otherwise noted

TERMS & CONDITIONS

CUSTOMER SERVICE: We commit to being professional and courteous, by communicating clearly with the customer, and to respect the customer's property and home. Our painters promise to give their best effort on every job.

WARRANTY: We warranty our workmanship for two years. Simply call us up and we'll return to your property promptly to address and correct the issue. Warranty does not include work involving stain, flooring/patios or rotted wood.

PROJECT OVERVIEW :

- This estimate is based on the condition of the substrates mentioned at the time of the estimate with regards to amount of prep work needed, cleanliness, etc. Any deviation from the current conditions quoted out by our estimators will result in a reassessment of the project and could result in a higher or lower cost.
- Surfaces to be painted include up to 2 coats in order to achieve adequate coverage unless noted. Stain, one coat unless requested or required and noted. If additional coats are needed, additional cost will be advised and applied as needed.

CHANGES TO CONTRACT (change order):

1. If you request a change to be made to the work being done, including the amount of prep work or changes in products, finishes (sheen), number of colors, or number of coats, then the price will be adjusted to reflect the changes in the change order.
2. All paints and stains (once tinted) are not returnable, if you decide to change your mind on a color after the color has been selected and ordered, then you will be charged for the extra material as well as the extra labor involved (if any) to achieve your newly requested color/sheen.
3. Any specialty finish, such as a dry erase wall, faux finish, venetian plaster, lacquer, glitter paint, or anything of this nature outside of the scope of brushing and rolling two coats of standard paint on a wall ceiling or trim will result in an extra cost outside of a standard pricing.

REPAIRING DAMAGED WALLS: Please keep in mind that it is near impossible to match textures exactly. When our painting crews fix holes in walls and ceilings they will give their best effort to repair and retexture over the problem area.

Please be aware that we are not a drywall/texturing company, and do not specialize in drywall/texture repair. It is possible that a drywall/ texture specific company could do a better job than us at texturing. If you feel that you'd rather

have a professional texturing/drywall company fix patches please have them do so prior to our arrival.

HOW COLORS AFFECT YOUR PRICE: The pricing shown in the quote is based on using up to 2 sheens on the project unless otherwise specified (walls/trim). For any additional colors/sheens or accent walls, additional charges will apply. We charge \$75 for each additional color or sheen as well as \$125 for each accent wall. All additional costs pertaining to additional colors/sheen are reflective of extra work/material. Examples; extra tools being cleaned, extra paint, extra tape and masking supplies, extra time required to break away from the standard way of painting a room or house.

UNFORESEEN CONDITIONS: We do our best to identify every aspect of the painting project in the original quote to provide you with an accurate price on the project. However, there may be some unforeseen conditions out of our control that occur. These may include: poor lighting, rotten wood that we may not see until after we pressure wash and start scraping, errors made on the customers behalf by bumping walls or marring up a freshly painted surface, etc. Additional work will be charged at \$65 per man hour plus material or will be quoted out by the project manager.

Moving furniture that has not been moved previously by the customer unless otherwise specified in the estimate will also be done at a rate of \$65 per man hour.

DELAYS (Does not include weather):

If delays occur that prevent us from completing the work ie colors not chosen, or other contractors on site, an additional scheduling conflict fee of \$150 per day may be incurred. If job is in process and is not allowed to be finished for any reason, a scheduling conflict fee of \$150 per day delayed may be incurred as well. Our goal is to provide you with a top-notch service and we can not be delayed during our project. Delay fee does not apply to weather.

PRICING: We have quoted you a fixed price estimate for your painting project- the price you see on your quote is the price you will pay. Any variances from the

original quote in regards to number of colors/sheens, amount of prep work, additional surfaces, etc. will result in an increased price. All quotes are good for 90 days. After 90 days, a new estimate may need to be conducted and a new quote issued as prices may change.

PAYMENT TERMS: We request a 30% down payment upon booking the project. The remaining 70% is due on the day of completion. If the job total is over \$7000, an additional 30% is due after the second day of work is completed. The remainder will be due after the project has been completed. If for any reason payment for the completed work is not paid in full within 24 hours of the completion of the project, then a \$50 late penalty will be added for each day that invoice is past due. A lien may be placed for extreme circumstances.

PAYMENT OPTIONS: Cash, check, all major credit cards. We waive the processing fee on all deposit payments. There is a 2.9% processing fee added to all final payments made via credit card. Checks should be made payable to Hill Country Painting and will be collected on the final walk through.

3 DAY RIGHT OF REFUSAL - You, the buyer, may cancel this transaction at any time prior to midnight of the third business day after the date of this transaction. The law requires that the contractor give you a notice explaining your right to cancel. If you choose to cancel this contract after the proscribed 3 day period, the 30% deposit is non-refundable. However, if job is cancelled after 3rd day, the deposit may be used for a different job of equal or greater value within 12 months of the payment of the deposit.
