30 Day Notice to Amend Rental Agreement Liability Only Protection Insurance

6/28/2024

Ailene Martinez

Nampa, ID 83651

This letter is an official 30 day notice to amend your rental agreement, as of September 01, 2024. Effective September 01, 2024 a minimum of one tenant per Rental Agreement is required to carry and maintain \$100,000 of property damage liability insurance. The resident is responsible for damages caused by the resident or the resident's guests or pets or animals. We are excited to let you know that we have partnered with Your Renters Insurance Group (YRIG) to manage all your renter's insurance requirements. This helps protect you in the event of a covered loss or catastrophe. To satisfy this requirement, please choose from one of the options outlined below.

1. The property manager's Master Policy Program (MPP) program through the payment of \$16.00 in accordance with the terms of your residential rental agreement.

- MPP is designed to fulfill the insurance requirement of the Rental Agreement. Landlord is the Insured under the MPP. This is single interest force placed insurance. Resident is not an Insured, Additional Insured or beneficiary under the MPP. All loss payments are made to the Landlord. MPP coverage is NOT personal liability insurance or renter's insurance.
- In the event that loss or damage to Landlord's property exceeds the amount of Required Insurance, Resident shall remain contractually liable to Landlord for such amount. In the event of liability to any other party for bodily injury or property damage, Resident shall remain liable to such other party.

If you fail to provide proof of the required coverage prior to the commencement of your lease, or within 10 days of receipt of a Lease Renewal document your unit will be automatically placed in the Tenant Legal Liability master policy and you will be charged an additional rent of \$16.00 per month. If the required coverage should be canceled or lapse for any reason, Johnson Property Mgmt, LLC reserves the right to place your unit in the MPP and charge you an additional rent of \$16.00 per month.

2. A personal renter's insurance policy (HO4). You will need to either forward this form to your Insurance Agent to update your policy, or login to your insurance portal and update the policy yourself. You may choose to work with your own provider for your insurance requirement. If you choose this option, your policy and proof of insurance must include:

Johnson Property Management, LLC must be listed as an "Additional Interest" and uploaded to the [YRIG submission form](https://app.smartsheet.com/b/form/6eef62bcf21f461ca7f3952c442e238e):
