## **EMERGENCY AFTER HOURS:**

To report a POWER OUTAGE between 4:30 PM - 8:00 AM Call: 614-412-9655

## **IMPORTANT INFORMATION**

**METERING:** Actual meter readings are taken each month, weather permitting. Estimates, if necessary, are based on your previous usage.

**BILLING:** Failure to receive a bill does not relieve responsibility for payment. Payment plan options are available. Please contact our office for further details regarding payment plans. PEM reserves the right to present checks electronically by transmitting the amount of the check, routing number, account number and serial number of your financial institution. Account is considered paid when payment is received in the PEM Office. PEM is not responsible for mail service or electronic transactions.

**LATE FEE:** A fee of 15% of any past due balance may be charged to your account if your bill is not paid in full by the due date.

**RETURNED CHECK/NSF FEE:** If a check, credit/debit card or ACH payment is returned from your financial institution for any reason your account will be held to the standard of PEM's return payment policy. PEM reserves the right to only allow certified funds to be accepted on an account after multiple payments have been returned.

**MEDICAL EXEMPTION:** Should you have a physician-approved hazardous medical condition or use medical or life-supporting equipment, please contact our office for the appropriate form so our office is aware in the event of a prolonged power outage.

**THIRD-PARTY PAYMENT PROVIDERS:** PEM discourages the use of any third-party payment provider as receipt of these payments can be delayed for several weeks causing late fees to be incurred.

**IF YOUR PAYMENT IS PAST DUE:** A \$125.00 disconnection fee will be charged to your account if payment is not received by 6pm the day before the scheduled disconnection. Receiving a regular invoice after a Disconnection Letter has been issued DOES NOT change the disconnect date indicated on the Disconnection Letter. Certain units can be remotely disconnected, and no physical person or notice will be at your service address. If payment to reconnect service has been made AFTER regular business hours (8am - 4:30pm), an additional After-Hours Reconnection fee of \$200 will be applied. **IMPORTANT:** If utility service turn-off to your unit is not available, then you may have consequences from your Association for non-payment.

### **Payment Options** (Processing fees apply to ACH and/or credit card payments):

- **Mail:** Send check or money order with payment stub using the enclosed envelope. Please note your account number on the payment.
- **Auto-Pay:** Sign up on our website or contact us to have your bill payment automatically withdrawn each month.
- **Online Payment:** Payments by credit card, debit card or echeck (ACH) may be made through your online account.
- **Phone:** You may contact our office during normal business hours to pay by phone.
- **Bank Bill Pay:** Contact your bank for details about paying through their online bill pay services.
